

Dear Leaders,

Due to the recent events in the Middle East, which have led to flight cancellations for some delegations and safety concerns regarding travel for others, the Organizing Committee has made a request to MASSEE to run the competition in hybrid mode. This has now been approved.

We deeply appreciate your flexibility and immediate cooperation under these circumstances.

Please read the "**Ad Hoc Regulations for Hybrid SEEMOUS 2026**". It is imperative that you **read this document carefully**, as it contains strict protocols for the remote Local Exam Centres.

Please also complete the Google Form in the link below at your earliest convenience. We kindly ask you to submit it even if some of your details are still pending or preliminary.

Thank you once again for your dedication to the students and the SEEMOUS community.

We look forward to warmly welcoming those of you traveling to Cyprus in person, and we wish everyone a successful and smooth hybrid competition!

On behalf of the SEEMOUS 2026 Organizing Committee
