Last Call for Abstracts

The Mathematical Society of South-Eastern Europe (MASSEE) facilitates mutual collaboration among mathematics and informatics researchers from the South-Eastern Europe. The MASSEE aims at

- Institutionalizing and coordinating the state of the art research in mathematics and informatics;
- Supporting related scientific research and educational activities in South-Eastern Europe;
- Promoting and organizing various activities among mathematicians and informaticians in South-Eastern Europe and the rest of Europe.

The MASSEE Congress on Mathematics with International participation follows the tradition of the five successful Congresses organized in Bulgaria in 2003, in Cyprus in 2006, in Former Yugoslav Republic of Macedonia in 2009, in Bosnia and Herzegovina in 2012 and in Greece in 2015. At this stage educators and researchers interested in attending the Congress with or without a paper should proceed with the registration.

- **The deadline for abstracts is 30 July 2018. Notification of acceptance of abstracts is 10 August, 2018.**

(Visit www.cms.org.cy , open the banner MICOM2018 where you can proceed with registration).

Further announcements and details will be sent to those responding to this call. The names of invited speakers will appear in the next announcement. The Congress will consist of several workshops/symposiums/sessions covering multiple themes. The official language of the conference is English.

Congress Themes

- A1 Algebra
- A2 Analysis
- A3 Differential Equations and Dynamic Systems
