Math Olympiad Instructions for Students

- All candidates should be at the EXAM CENTER **30 minutes earlier** and in the exam room **20 minutes prior** to the examination.
- In order for the students to participate in the Cyprus Mathematical Olympiad, **they need to write on a piece of paper all their participation information**, as shown in the catalogs uploaded in the CMS website (www.cms.org.cy), and go to the exam with that paper. **(Candidate number, Surname, Name, Class, District, School, Competition Date, Exam Center, Time, Exam Room)**
- Students must have with them their **Identification card or passport or birth certificate** (for the primary school students who do not have an ID), for the Organizers to be able to check their identity.
- The contestants **will enter the examination center alone, without being accompanied by their parents**. The organizers will direct students to their examination room.
- Parents will be waiting outside the school/examination center.
- All candidates should have with them **a BLACK pen** in order to complete their answer sheet.
- The exchange of any object between students **is prohibited**.
- The use of calculators during the exam **is prohibited**.
- Using a mobile phone is strictly prohibited during the competition. If a candidate brings along a mobile phone he/she should switch it off and hand it to the proctor before he/she enters the exam room. Smart watches are also prohibited.
- **CANDIDATES ARE ENTIRELY AND SOLELY RESPONSIBLE FOR THE CORRECT COMPLETION OF THE ANSWER SHEET.**
- Carefully complete the answer sheet choosing **only one answer** for each question.
- Candidates receive 4 points for each correct answer, miss 1 point for a wrong answer and get zero points for questions skipped.
- Any question with more than one answer marked will be counted wrong.
- The test will be machine scored. Therefore, avoid erasing answers or making any other marks on your answer sheet.
- Candidates may use the empty space on their tests for making notes.
- Candidates are advised to mark answers on their answer sheet, after making sure their answers are final.
